

Ose Beach Walk

<8 minutes walk to the shoreline

We recommend wearing walking shoes. The path to the Beach passes through Farmland which will often have Horses or Sheep in the Fields. You **MUST** close and fasten **EVERY** Gate **EVERY** time you pass through them.

Leave the House and turn right and walk down to the main road over the Cattle Grid. Cross the road and turn right towards and then through Gate 1.

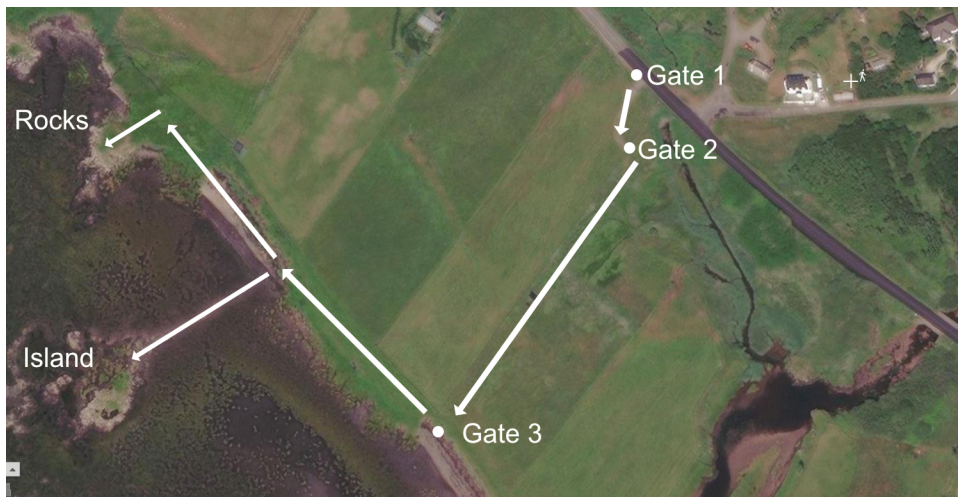

There is **NO** entry to the beach from the field between Gate 1 and Gate 2.

Follow the gravel path left for 30m and then through Gate 2. The wire fence should now be on your **RIGHT** shoulder.

Turn right towards the Sea and then head across the field towards the beach. Go through Gate 3 onto the beach. Shut and fasten the gate behind you. If you're quiet, you may see Seals on the Island or on the rocks, maybe even an Otter. If the tide's out, turn to the right for 100m and walk onto the little tidal Island, sit on the rocks and take in the view.
